Profile

Technical Background
Fourth-year Cybersecurity student at AOU (expected graduation this year). I have a strong foundation in networking and programming. I hold a **CS50 certification from Harvard**. I have self-studied the CCNA course on NetAcad. I have also completed a **Blue Team Diploma** at Telecom Egypt. Currently. I have completed and passed the **Certified in Cybersecurity** exam by ISC2.

Leadership & Communication
I am the president of the **Alkalemah Toastmasters club**, Egypt's first Arabic Toastmasters club. I have also competed in the Toastmasters contest at the **club, area, and division** levels. I earned **first place in the Humorous Speeches contest** at the Area level.
